

For You and Planet Blue.

Europe's Nr. 1 in Water Technology with 3.300 employees worldwide is looking for a

## Sales Manager Pharma & Biotech

(Belgium, Netherlands, Luxemburg)

### Your responsibilities:

- Support and account management to our existing customer base directly and indirectly through our local network partners.
- Acquisition of new business through new customers and/or projects
- Prospecting, commercial offering, following up and negotiating
- Marketing activities, gathering market knowledge, developing strategy

### Your Profile:

- Degree in either Chemical or Electrical Engineering
- Minimum 10 years of experience in field of application
- Negotiation and communication skills in Dutch, French and English required
- Exceptional Organizational and managerial skills
- Highly motivated, with willingness to travel

### Our Offer:

At BWT, we understand that our greatest asset is our people. That is why we have created a friendly and comfortable working climate. In addition, we offer a result oriented compensation package, comprehensive benefits and numerous opportunities for professional growth and development. So, if you are interested in working for a world-class company, supported by experienced local and international colleagues and enjoy solving complex challenges, whether in the lab or the field, consider joining our team

### Interested?

Send your motivation and CV in English to Michiel Hochtin Boes (mhoc@bwt nederland.nl) or to Loubna Nahjari (loubna.nahjari@bwt.be).

**Your application will, off course, be treated in full confidentiality.**
